Multi-Activity Courses £510 per person

July 28th - August 3rd For people with a physical disability including wheelchair users

September 1st - 7th For people with a mild learning difficulty

Based at Bendrigg Lodge which has excellent facilities. These courses give you the chance to sample a range of outdoor activities while staying in our most comfortable accommodation! Activities include canoeing, climbing and abseiling, archery, caving and others.

Please note that Bendrigg does not have the resources to employ medical or care staff. It is necessary, therefore, that all participants can take care of all their personal needs, or that they are accompanied by a friend, relative or carer who can assist them. We are attempting to secure funding to provide some subsidised places to people in need and especially for essential carers, please enquire.

For more information on any of the above courses please contact us.
